What do IST do?

- In 2007, 12,000 adults helped to make the Jamboree an experience of a life time.

What do IST do?

- A Jamboree is a mini city
- With every essential convenience you would need to have.
- Shops, hospitals, sanitation, rubbish collection, entertainment, telephones, internet, banking, repairs, the list is endless.

Can I pick my job?

- During the winter of 2011, the Swedish HR department will ask you to fill in a questionnaire.
- We presume that the answers you give will put you into a job type.

Can I pick my job?

- If you have a specialty or profession that could be useful to the Jamboree and you want a bus mans holiday, add your qualifications to the questionnaire.
- If you don't want a bus mans holiday don't!

What will I do?

- During the Spring of 2012 Sweden hope to be able to tell you the general type of area in which you will be working.
- When we arrive at the Jamboree you will be allocated to an International Patrol of 6 to 8 members
- You will then find out what your job entails.

What will I do?

- You will have a day or two to bond with your Patrol and undertake any training.
- During this time you will elect a Patrol Leader and Assistant Patrol Leader.
- It is hoped that the Patrol will work, rest and play together.
- IST will camp with their Contingent, we may probably split the UK into 4 separate areas.

Dateline

- Monday 25th July – most of the IST will be on site.
- Wednesday 27th – Participants arrive.
